THE WORLD WANTS QUALITY UK GOODS AND SERVICES

There are millions of people across the world looking for your skills, expertise, goods and services.

The demand is out there.
You should be too.

Export Hub is coming to Oxford

The Department for International Trade's Export Hub is coming to Oxford Science Park. Drop in and speak with an International Trade Adviser about export opportunities and enhancing your business profile. The demand is out there. You should be too!

Trading abroad can boost your profile, credibility and bottom line. Operating in new markets will mean you are more likely to be aware of the emerging needs of that market and the new opportunities that may arise.

This exposure will make you an innovative UK business that is better able to maintain a competitive position in your sector. Exporting also enhances your business' profile, whether for new clients at home or abroad. Discover the ideal opportunities for exporting and growing your business.
